idem mais avec le critère « in blog directory »

The screenshot shows the Technorati Blog Directory website interface. At the top, the search bar contains the text 'in blog directory' and the dropdown menu is set to 'in blog directory'. Below the search bar, there is a section titled 'Featured Bloggers'. A list of featured bloggers is displayed, including 'Nicolai Wadstrom's Blog by Nicolai Wadstrom', 'Vintage Collectibles by Alana Morgaine', and 'Firefox by Jan Toczyski'. Each entry includes a profile picture, the blog title, the date it was claimed (17 days ago), a brief description, and a link to the blog. The browser's address bar shows 'http://technorati.com/blogs/'.

Recherche avec le critère « in blogspots »
auquel on rajoute une critérisation sur la notion d'autorité

idem avec le deuxième critère « a lot of authority »
